Wednesday January 17, 2024, from 12:00-1:00 PM ET  
Connect virtually by Zoom or telephone!

**OneLab Network invites you to join us for the upcoming virtual event:**

#### **Laboratory Onboarding Template: Pilot Test by the Guam Public Health Laboratory (GPHL)**

GPHL pilot tested the CDC Laboratory Onboarding Template (LOT) to develop a New Employee Standard Operating Procedure (SOP) to provide a structured and streamlined process to onboard new employees into the laboratory, explain in detail the objectives of working in a public health laboratory, and provide a road map to navigate the day-to-day activities. This presentation will provide information that all laboratory professionals should have before they begin working in the laboratory environment. The aspects of the GPHL laboratory onboarding process might be more straightforward because it is a small laboratory; however, laboratories of all sizes should implement these essential elements of the onboarding process.

#### **Each OneLab Network Presentation includes:**

- OneLab Network updates and new and relevant resources (10 minutes)
- Presentation (40 minutes)
- Q&A (10 minutes)

## Objectives

After completing this training, participants will be able to:

- Identify educational and other resources available through the OneLab Network
- Describe the purpose of the OneLab LOT
- Identify essential components of the OneLab LOT and how to use it to customize your laboratory onboarding process

## Registration and Access Requirements

- Please register for this event [cdc.zoomgov.com](https://cdc.zoomgov.com).
- We will be using Zoom for this session. To participate in this network event, you will need a computer/mobile/smart device with internet access and speakers or headphones to hear the audio. To test your system, visit <https://zoom.us/test>.
- Closed caption information will be available during the webinar.
- If you need assistance with registration, please email [OneLab@cdc.gov](mailto:OneLab@cdc.gov).

## Who Should Attend?

- This basic-level webinar is intended for all clinical and public health laboratory professionals, especially those engaged in onboarding activities.

## What is the Level of Instruction?

- Basic

## Professional Acknowledgment for Continuing Education (P.A.C.E.®)

- The Centers for Disease Control and Prevention, Division of Laboratory Systems is approved as a provider of continuing education programs in the clinical laboratory sciences by the ASCLS P.A.C.E.® Program.
- This course is approved for 1.0 contact hours. P.A.C.E.® Course #: 288-301-24
- Instructions for obtaining P.A.C.E.® credit through CDC TRAIN will be provided during and following the webinar.
